

Cosmetic mouth spray for care, protection, and regeneration of the oral mucosa.

The Natura Vitalis NIGHT SPRAY was developed specifically for the needs of a strained oral mucosa. The innovative combination of indulging ingredients, like MCT oil (medium chain triglycerides from coconut), cannabidiol, valerian extract, and melatonin, activates the natural protective barrier of the skin, keeps it supple, and furthermore supports a quick and pleasant sleep onset. The product has a soothing, regenerating, and protective effect on the mucosa. When used regularly, this mouth spray can protect cells from oxidative stress and contribute to their health.
